# Autumn Festival Abide in the Wind

“*It is the dragon that is the true master of the world.*”

“*It is the dragon that is the true master of the world.*”

Initially, Black Eye's reaction's popularity increased.

The instant one is contracted with a dragon artifact, their body evolves to a superior structure than that of humans, rendering most drugs ineffective.

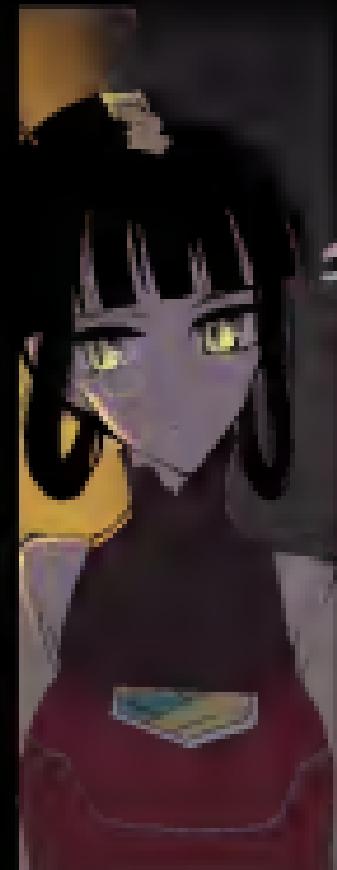

Security have a greater fight,

but I think I'll be able to manage...

However, it showed remarkable effects on contractors...

GREAX

Also, we're introducing you...

to our  
great source of  
Black Eye

Mirage, beast - Imag.

It has three  
eyes... Could it  
be Mirage??

Shin West

No, it can't  
be. Black Friday  
production begins  
earlier than ever.

Well, I've seen  
this difference  
before...

50 years ago, the

Deep within the  
Well of Purification

Who is this?

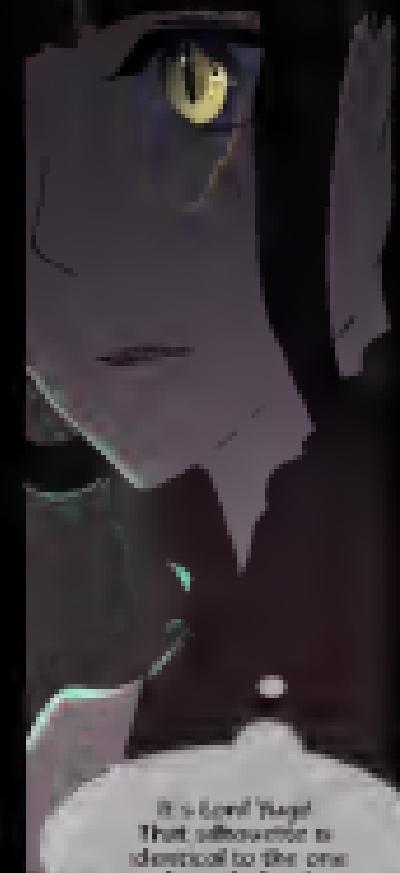

He is one of the  
Klein predecessors

and the contractor of  
the Spear of Zuldrak.  
His name is Vega.

He joined the  
Inquisition and  
secretly made friends with  
the Forsaken, before  
recovering him.

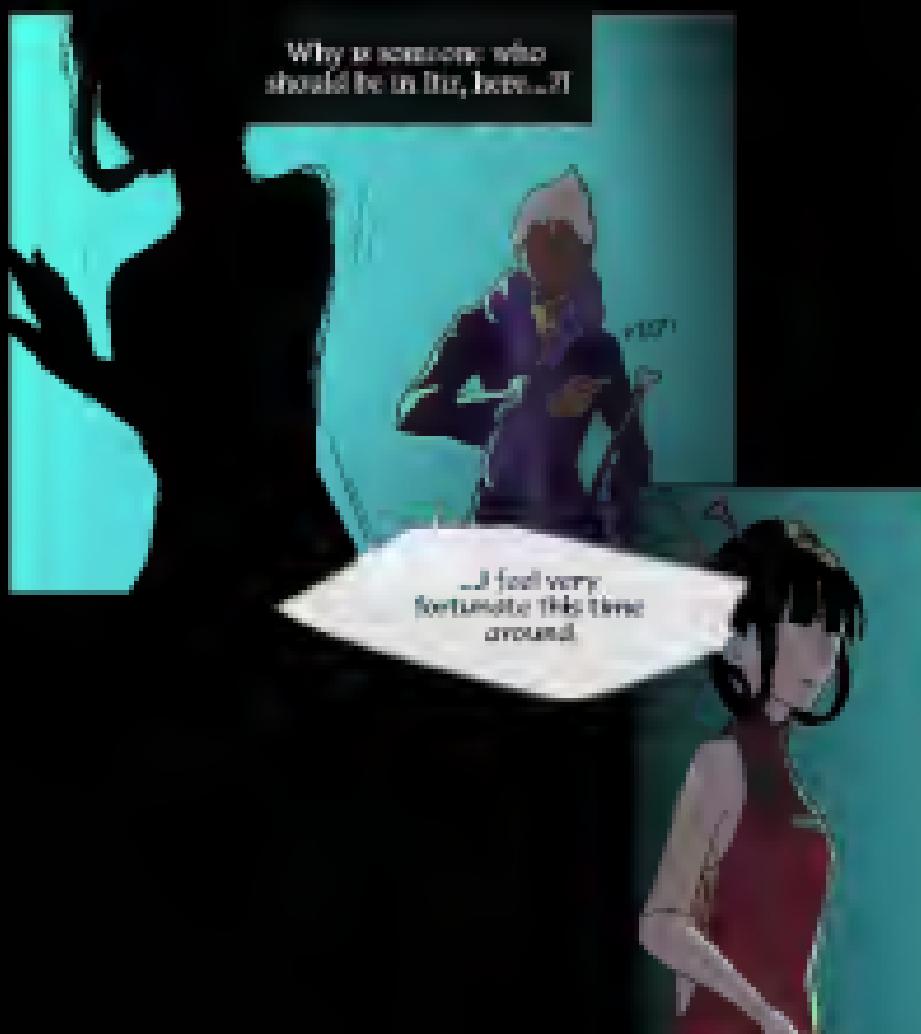

Because his wounds  
were so deep, it took  
another decade for him  
to recover.

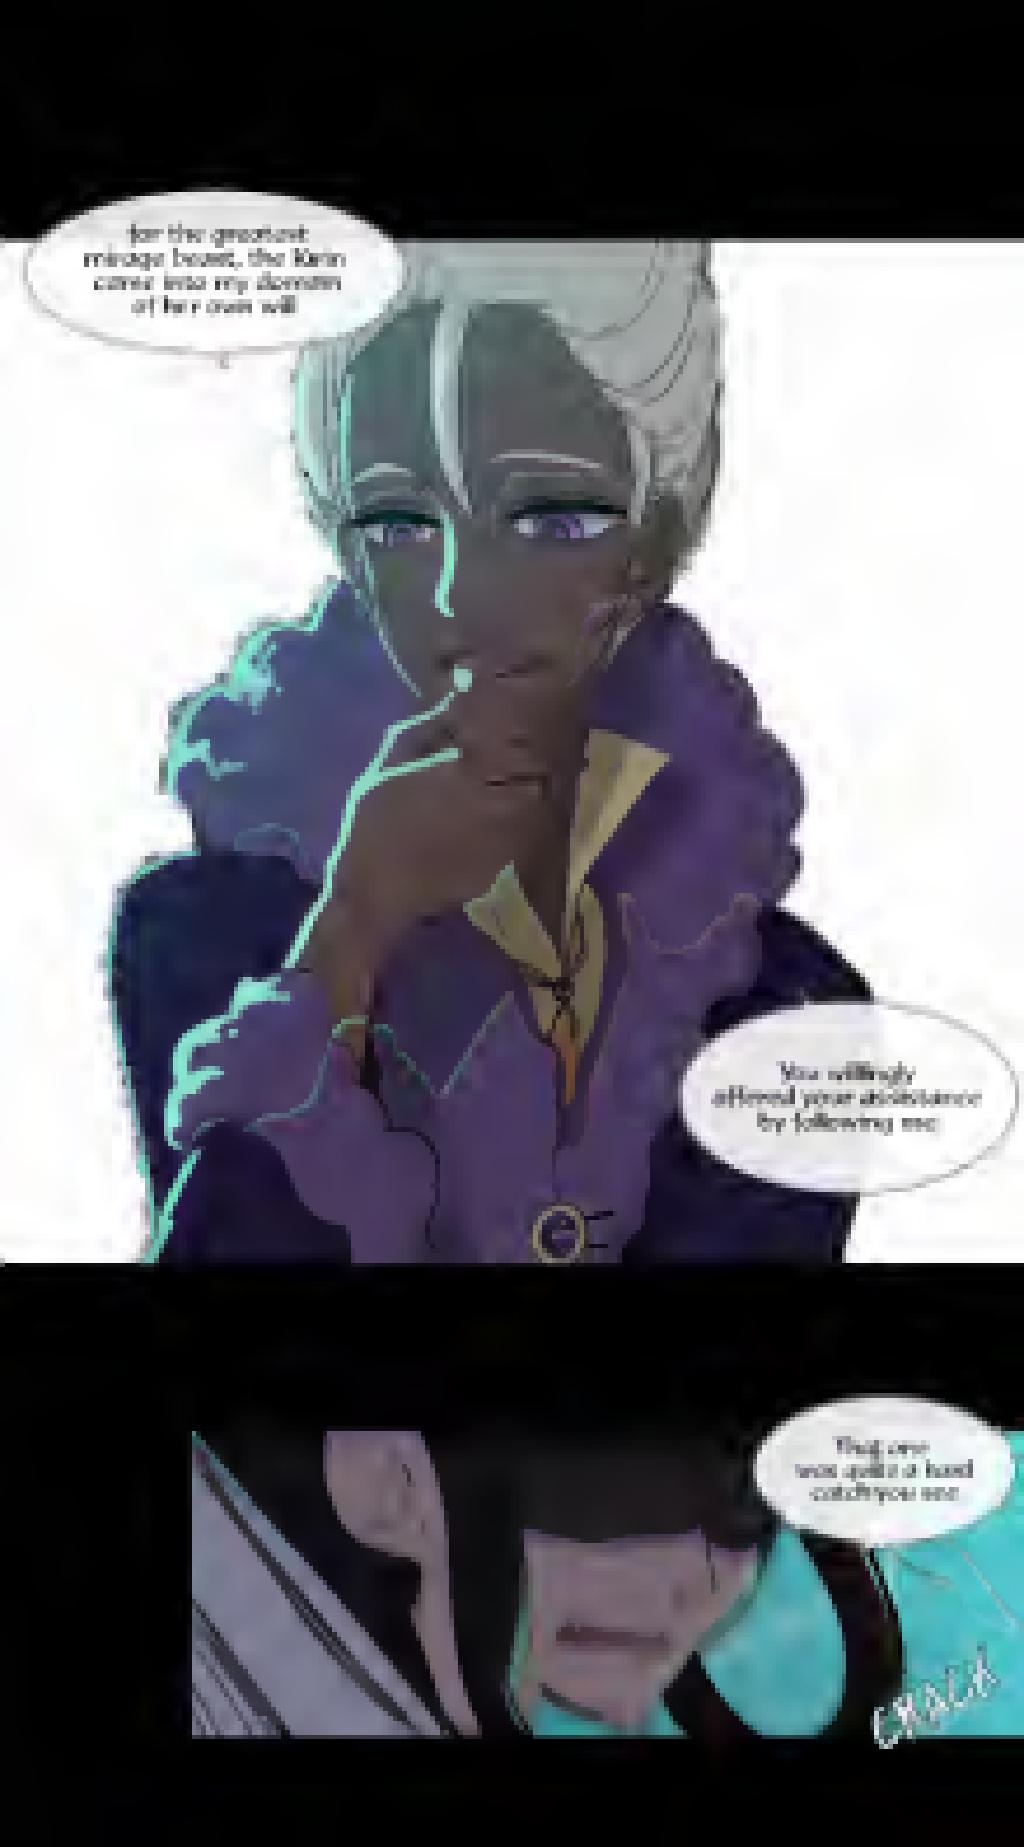

It's a good thing  
that Silversong is  
devoted to the one  
I care for!

Why is someone who  
should be in line, here...?

...I feel very  
fortunate this time  
around.

for the greatest  
marriage bane, the Kern  
comes into my domain  
at her own will

You willingly  
offered your assistance  
by following me

That one  
was quite a hard  
catch you are

exalt

Desertic knowing  
who I really was.  
how dare you show  
me this façade?

PIAGG

BOOM

I never lied to you  
from day one.

I'll make you crawl

Darkness can't  
and can't be something  
something so precious  
in this world...

so he wished  
that it would  
never change

However, the  
laws of this world  
always change...

Because Dragons  
were the only ones to  
come into this world  
as completed beings

WHD-21

They use their  
mysteries to live well  
free from this love.

Go Darkness...

involved into something else.

Chaos.

Since he evolved, he  
was no longer a Dragon  
lacking his Dragon Power.  
It was quite enhancement.

Before exchange, he  
gained another power.

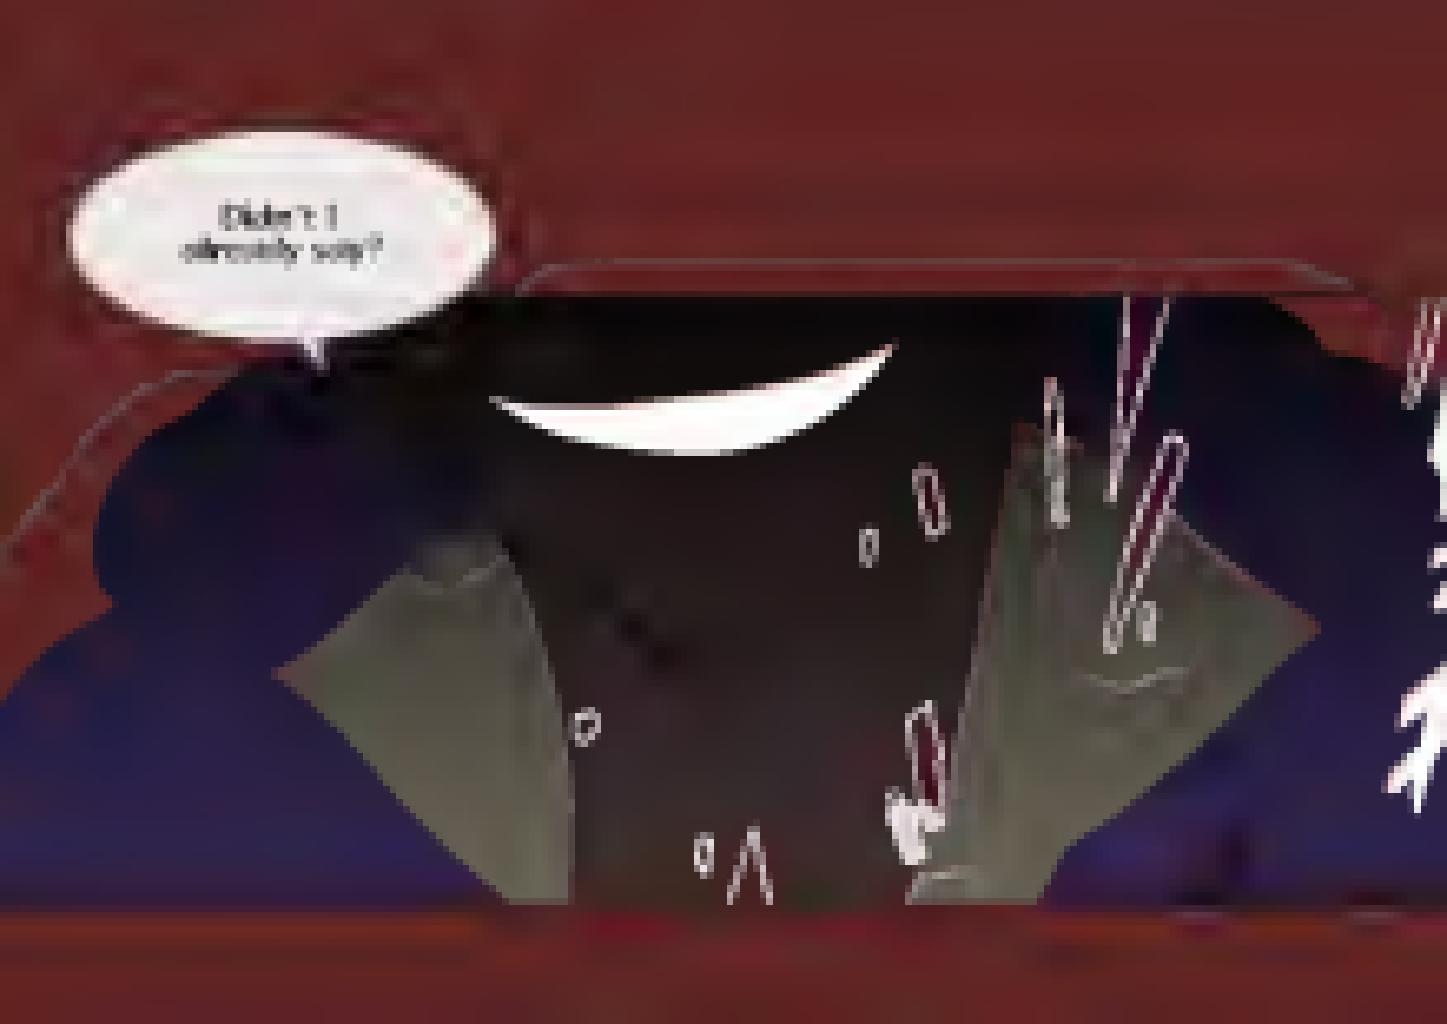

He adapted to corruption without a Byssus.

and used his other powers to make extra fragments, such as the pentacles.

You... What are you...?

Did I do  
something wrong?

The tests have failed.

Coincidentally, Choco found a 'pocket' and entered it without hesitation.

"Haven't you got too  
bad," he thought.

I'm waiting for  
a 'festival'.

One that will bring  
about the greatest  
changes in the land

The change of  
the 'only dragon bone'  
of this world

No? I still don't know where Magi is!

I can't fall here...!

To that end,  
you'll have to choose  
it well, Lady Korrin.
